Message from the Grand Knight

Brothers,

We have had a pretty busy month since we last met. There were several events that took place, the golf outing, the Knights of Columbus Council 9184 Saints Essay contest, and the holiday bazaar. The golf outing was again a success and raised some funds for the Greenville Disabilities, we had a lot of participation on both volunteering as well as playing. I would like to thank George and Cheryl Fargo for helping judge the essay contest it was a good turnout again this year and some of the essays were pretty good. Finally the holiday bazaar was another success for us this year, we had another good turnout of volunteers for that event. Thanks to Scott and George for getting everything together for that.

Remember we have a few very important events coming up in the next few months, the Thanksgiving turkey handout (we ordered 50 again) and the Christmas Party. Please plan on attending both of these events if you can. I would suggest if you have any kids or grandkids if possible take them along on the turkey handout, my kids have gone the last couple of years and it has always been a good conversation on why we all need to be thankful.

As I have ended all of my letters to the council I encourage you to please talk to those Catholic Gentlemen that you know in the parish and invite them to join our council. It is more fun to work these events and have fundraisers along friends and family members. I also urge you to get even more involved in our council by jumping on a committee there are several to chose from and time commitment depends on you.

Remember our next meeting will be at the Ranch this Thursday November 13th.

Vivat Jesus,
Dan Cullen, GK

Who is that guy?

If while at the meeting this Thursday you notice someone heckling the Grand Knight and you somewhat recognize him but not sure who he is. It is our brother Knight former Grand Knight, Greg Pirochta. He is here visiting from Germany and wanted to stop in and see everyone.

Committee Forming

Monte Carlo Night

We brought in over \$13,000 from Monte Carlo Night this past June. We are looking to have it this year in February 7th. I would like to get working on a committee early this month. Gathering donations, and working on preparation all takes a considerable amount of time and we have found the earlier you get working on this the easier it is on everyone. If you are interested in being on this committee please contact Dan Cullen (dan@cullenweb.us).

All Council Committees

All of our Council Committees are looking for members, if you are interested in joining any of the committees please contact Bill Larkin, DGK or Dan Cullen, GK and they will be able to put you in contact with a committee director.

Good of the Order

These are taken from last month's meeting as well as any other emails received:

Roger Loomis, Lance Butler, Repose of the soul of Alyce Sullivan, for all deceased Knights of Columbus, for all personal intentions.

If you would like to have something added to the next news letter please contact Dan Cullen, GK.
