

A good time ... For a great cause!

What better way to support those who really need our help than by having a great October afternoon enjoying a round of golf with old friends and new acquaintances. This year our tournament will be at Hejaz Golf Club and we have reduced the price to \$85 for those who sign up early. The course is in good shape, the beverages are cold, the food is excellent, and the prizes alone are worth entrance fee. We will have a step aside format like we did last year, and will award a significant prize to the winning team. Handicaps of the top 3 players will be used to determine the tournament winner, so bring your "A" game and have fun!

A Tradition of Charity

Since 1986, the Knights of Columbus Council 9184 has supported Operation HOPE with our Annual Golf Tournament. "Helping Other People Everyday" is dedicated to increasing the self-reliance and dignity of our challenged citizens. We believe these individuals should have the tools and resources necessary to lead independent, productive lives. Through our support of non-profit organizations that share this philosophy, we are making the world easier to navigate for thousands of people, every day.

All proceeds from the event are donated to the Barbara Stone Foundation who's mission is Compassion, Encouragement, Enhancement, and Empowerment for individuals with life long disabilities. Through the years Council 9184 has donated over more than \$150,000 along with countless hours of volunteer work to help individuals in Greenville with disabilities.
