

Support for Disabled Citizens in Greenville County

Foundation Hope Golf Tournament

Our views of individuals with disabilities are changing to recognize the ABILITIES of all citizen and to be more inclusive of those with special needs in our community. However, there are many unanswered special needs for services and facilities to help disabled citizens live to their fullest potential.

The Knights of Columbus Council 9184 in Taylors, SC is asking for your help to raise over \$10,000 to directly benefit Greenville County disabled citizens by becoming a contributing sponsor for our 29th annual Foundation Hope Golf Tournament at Hejaz to be held on October 4th, 2015. State-wide the Knights of Columbus are looking to raise over \$446,000 for the benefit of SC charities for disabled citizens.

Thanks to the support of many local sponsors like you, last year the Knights of Columbus Council 9184 raised \$7,344 for the Barbara Stone Foundation. This year, a donation of \$100 or more will include a golf hole sponsorship with dedicated signage and public recognition of your company's direct support for Greenville County disabled citizens. You may also wish to contribute in other ways such as goods and services to be offered as prizes or auction items. 100% of the proceeds from this event will be donated to the Barbara Stone Foundation for Greenville County disabled citizens. Your generosity is greatly appreciated.

Attached is our golf brochure and tax id information (all donations are 100% tax deductible). Of course we will recognize your support in all of our advertising, event signage, and most importantly to our charity recipients.

Thank you very much for your support.
